# YOUR NEED - OUR SOLUTION

## HELPING YOU SET UP YOUR FUND

- We support you in the selection of the **fund type** that ideally suits your investment strategy's needs (UCITS, SIF, AIF, ...), **fund structure** (SICAV, FCP) and **fund domicile** (LUX, LIE, CH, other).
- We support you in the **selection of high quality service providers** (administration and custodian bank).
- We provide **cost advantages** derived from our position as a «bulk purchaser» of fund structures.
  
- If you need support beyond selecting a service provider: We stay involved during the process of setting up your fund and actively interact with service providers (administrator, custodian) and (indirectly) with regulatory authorities to get your fund started as quickly as possible.
- If you need a special solution: Trust that most probably we will find a set-up that will serve your needs.
- If you are truly unique: In selected cases we are promoting funds within our growing network of investors and may get actively involved in raising seed money for your fund project.

## PRICE TAG

- Each set-up and fund structure is unique so that (inevitably) prices may vary:

Expect a UCITS fund of CHF 50 mio. in size to have total running costs of 0.25%-0.30% p.a. (covering launch, administration, custody, risk management, compliance, audit and regulatory authorities).

- For its services MRB will charge a fee that varies with a fund's size, complexity and the resources that are needed to run and maintain your individual solution.
