

SWITZERLAND

MRB Vermögensverwaltungs AG was founded in Zurich in 1979 and has been registered as an asset manager of collective investment schemes with the Swiss Financial Market Supervisory Authority (FINMA) since 2009.

We perceive ourselves as experts in the management of sophisticated investment solutions with an asymmetric risk-return profile. As entrepreneurs we count on performance and reliability.

For a new project we are searching a fund manager (m / f) with a highly sophisticated in-depth knowledge of the North African and the Middle Eastern region and its financial markets.

Fund Manager 100%

Responsibility:

- Responsible for the management of clients' assets in Northern Africa and the Middle East by means of a newly to be launched investment fund.
- Advisory on North African and Middle Eastern investments to a partnering company that is active in the discretionary management of large investment accounts.
- Activity and support of the acquisition of new investor money from the HNWI and UHNWI segments in the North African and Middle Eastern markets.

Required Qualification:

- Immediate contribution of assets from personal (existing) investor relationships.
- Extensive business network offering a meaningful growth potential in the Arabic region.
- Multiyear work experience in the financial sector and (specifically) in the management of investment funds.
- Master's Degree with a focus on economics.
- Arabic as a native language and intimate familiarity with the Arabic culture.
- Excellent knowledge of the English, French and German languages (written and spoken).

Our Offering:

- Long-term appointment and up-to-date employment conditions.
- Attractive workplace in a central location of Zurich.
- Modern and dynamic environment offering a diverse range business opportunities
